

The COVID-19 Protection Framework

Unite
against
COVID-19

From Alert Levels to Traffic Lights

We're moving to the next stage of our COVID-19 plan. The Traffic Lights are designed to keep us safe as we go about our daily lives now most of us are vaccinated.

Vaccine passes are an important part of life within the new framework. With *My Vaccine Pass*, businesses can safely open at all settings, events can go ahead and we can do more of what we love. If you don't have your pass yet, get it today at MyCovidRecord.nz

Be prepared

If you're fully vaccinated, you're still able to catch COVID-19 but are likely to only have mild to moderate symptoms.

If you test positive for COVID-19, you and anyone you live with will need to isolate to help stop the spread of the virus. You will be supported by local health care providers to ensure your health, welfare and wellbeing needs are met while you are isolating.

To make sure you're ready, be prepared. It's a good idea to have a plan and some supplies at home in case you or someone you love needs to self-isolate. Have a chat with your neighbours, friends and whānau about how you can look out for each other too.

How to keep each other safe

If you have cold or flu symptoms, stay home, isolate from others, and call Healthline on 0800 358 5453 for advice about a COVID-19 test.

Mask. Scan. Pass.

We need to protect vulnerable people, keep businesses open and ensure our healthcare system is running well.

To do that we should all:

- Wear a mask or face covering when out and about
- Scan in or keep a manual record of everywhere we go
- Use My Vaccine Pass to enter businesses and events.
