

Travel safely

Please follow any instructions from transport operators and their staff.

Keep track of your journey

Scan in using the NZ COVID Tracer App; or note the number of the service you're on, when and where you got on and where you are sitting today.

Keep your distance where you can

Give others space, where possible.

Wearing a face covering is encouraged

Wear for the entire journey and avoid touching it or your face. Dispose of your single-use mask in a bin, or wash your reusable one in hot water after each use.

Practice good hygiene

Regularly wash your hands with soap and then dry, or use hand sanitiser. Cough or sneeze into your elbow.

Stay home if you are sick

If you are feeling unwell, don't travel.
